Ohio Constitutional Modernization Commission

Re: Application for Executive Director Position

Dear Committee Members:

I write to express my great interest in the Executive Director position for the Ohio Constitutional Modernization Commission.

With over twenty-five years of management experience in the courts of Ohio, including nearly fifteen years as the Administrative Director of the Supreme Court of Ohio, I believe I offer the skills needed to advance the work of the commission.

I believe I enjoy a sound reputation for my character and work habits, and offer an even temperament that will allow for an objective review and analysis of the difficult legal and administrative issues that will come before the commission.

The work the commission is undertaking is exciting and offers the potential for great professional challenges and satisfaction as it takes on this once in a lifetime review of the governing document for Ohio government.

I look forward to the opportunity to discuss the position with you further.

Sincerely,
